Re: MB Docket No. 05-243; RM-11364
Amendment of Section 73.202(b), Table of Allotments
REPLY COMMENTS

Dear Ms. Dortch,

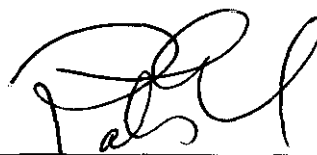

Brigham Young University - Idaho ("BYU-I"), the licensee of noncommercial educational FM station KBYI(FM), Channel 263C1, Rexburg, Idaho (FIN 56345), by its counsel, hereby submits its Reply Comments to the counterproposal ("Counterproposal") filed on September 19, 2005 by Sand Hill Media Corporation et al. ("SHM") in the above-referenced docket. These reply comments are submitted in response to the public notice released by the FCC on March 28, 2007 (Report No. 2809), which announced that the Counterproposal would be treated as a counterproposal in the above-referenced docket.

BYU-I hereby reiterates its objection to SHM's request in its Counterproposal that the Commission issue an Order to Show Cause to BYU-I as to why KBYI(FM)'s channel should not be changed from Channel 263C1 to Channel 232C1. As explained in BYU-I's October 4, 2005 Reply Comments (which is hereby incorporated by reference), SHM has not shown that significant public interest benefits will result from the adoption of its Counterproposal or that any such benefits warrant the disruption to the public that will result if KBYI(FM) is involuntarily forced to change channels. Therefore, the Commission should dismiss the Counterproposal filed by SHM.

Respectfully submitted,

WILKINSON BARKER KNAUER, LLP
